“ Chuck, as I knew him, worked together at Cummins Engine warehouse several years and become good friends. Although we didn't agree on some things, neither of got upset and we remained good friends. Prayers to the family he left behind.

“ John, Penny and family , just want to let you know we send our deepest sympathies. Charles has always been so kind to me where ever I have come in contact with him. Always the same. I know he has looked forward to this day for quite a while. We have had many many conversations about Heaven and THE LORD. You all are in our prayers.
