“ There are at least 20 years of memories that mark and I have with you Glen... some memories just mark has, some memories are mine, and some we have together with you. We love love love you!! Thank you for friendship, loyalty, and laughs. Thank you for fighting your battle out loud so our town will know the struggle is real and not worth it. The one thing I never said to you in person is THANK YOU FOR STAYING WITH MARKIE WHEN HE FELL OFF THE FIRE TOWER!!!! You are my hero for that and there is no doubt in my mind because of you he is still here with me
