“ I use to work with Joan at Booth Setser School. What a special friend and person she was too. We had fun talking, lunches, and even thought about writing a book of all the cute saying, things the kids had done and said to us. RIP Joan. You will be missed!

“ It was probably 55 years ago or so that I remember going over to the pages home when I was a kid when our parents would get together to play "Rook" in the kitchen or living room while my brothers and I played with Kerry and his sister.

My condolences to Joann's family and her closest team of friends, including my mother, Wanda Hunter.

Best wishes from Cambodia,
Kim Hunter
