“ We both came from Toledo area. My brother graduated from Devilbiss. High school. I first knew him n Donnette when I ordered special music for him to take to their home on Devils Lake. They were always the same sweet smiling folks n I treasured our business relationship. So sorry for your loss. My condolences to the family. Sharon Mohr Green

“ Donnette and Family,
I have such great memories of Dick and you Donnette. We always had such great times at out dinners and time spent at many McDonald's conventions over the years. I'll never forget my wonderful friendship with him.

“ My first job was at Mcdonalds on National Rd. In Columbus in 1973. I remember Dick coming in and bringing some of his kids in and Dick and the kids would work along with us. He always had a smile on his face and was always so good to everyone. I have never forgotten the work ethic he surly instilled in his children. Even after all these years I saw him a few years ago in a restaurant and he was his usual smiling, friendly self! I thank God for his influence in my life.

“ Dear Donnette, Rick, Tim, Chuck, DeeDee, Cathy, Wendy, Sarah, Lynn and Carrie,

Please accept my sympathy at the loss of your husband and dad. The McGees make up some of the fond memories I have of my years teaching at St. Columba. Dick saw to it that we were always flush with gift cards, meat and cheese!

May his reward in heaven be unmatched and right and just for the good and holy life he led on earth.

My prayers are with you all,
