“ We love you Aunt Shirley and we will miss you. I really enjoyed the times when you would come and live with us when we were kids. I am so glad you got to spend time with your children and grandchildren. I know how much she wanted children and she loved you with all her heart. Our hearts go out to all of you.

“ Jamie, Cheryl and Brandon Although we saw each other seldom, you were never too far away in my heart. Some of my most joyous memories was growing up with your Mom. The stories I could tell you. Ha! She was unique. I loved her soft spoken voice most of all. Yes, I think you are definitely right. She as well as most of the Johnson girls were great cooks. We all learned that from great sources. I have missed her at the homecomings. Wish we were lived closer. My love and my prayers go out to All of you. Like you said Jamie this doesnt seem real and she will not be forgotten. I know as mine are with the Lord now too. The only thing that can help at all is knowing they are in no more pain and rejoicing with family in Heaven. Love you with all my heart. Ina
