“ Thelma was such a gift to Love Chapel! I was blessed to see Thelma at Four Seasons about 4 months ago. She was even able to see Noah our son who was born when she worked at Love Chapel. She loved him and held him with great joy! We were blessed to have known Thelma. Prayers to the family!

“ Thelma and Paul were neighbors of ours for many many years. Both were wonderful neighbors. When my youngest daughter (Tammy) got married. Thelma and Paul fired up one of his prized automobiles and drove her and her new groom from the church to the reception. My oldest daughter (Lisa) and Paul shared a stray dog.. (Bandit)....you see it belonged to Lisa during the day but it belong to Paul in the evening..where he would let him into the house and feed him treats. Thelma will always be remembered for her smile. We miss them both. JoAnn Ison Ferguson

“ Thelma Lois was my first cousin. She was 16 when I was born. I don't recall those early days. I remeber whe she and her family would come home to Tennessee to visit he mon and Dad on the farm. It was always so exciting for us younger kids . IOur lives went in differnt directions for many years, but I have always remembered her and how sweet she was to us. Deb, I am so glad that we found each other on Ancestry and to catch up on her life through you. Love to all the family and remember that big Collins family will be together again someday.
